

Warranty

Wavelength References warrants that this product will be free from defects in materials and workmanship for a period of one (1) year from the date of shipment. If this product proves defective during the warranty period Wavelength References, at its option, (1) will repair the defective product without charge for parts and labor, (2) will provide a replacement in exchange for the defective product, (3) refund the purchase price.

In order to obtain service under this warranty Customer must notify Wavelength References of the defect before the expiration of the warranty period and make suitable arrangements for the performance of service. It is important that you, in advance of returning a unit, receive a Return Material Authorization Number (RMA). This will ensure the prompt handling of the repair, as well as provide important tracking information. Customer shall be responsible for the packaging and shipping the defective product to the service center designated by Wavelength References with shipping charges prepaid. Wavelength References shall pay for the return of the product to Customer if the shipment is within the United States or Canada. Customer shall be responsible for paying all shipping charges, duties, taxes, and any other charges for products returned to other locations.

This warranty shall not apply to any defect, failure, or damage caused by improper use or improper or inadequate maintenance or care. Wavelength References shall not be obligated to furnish service under this warranty a) to repair damage resulting from attempts by other personnel to repair or service this product; b) to repair damage resulting from improper use or connection to incompatible equipment; or c) to service a product that has been modified.

This warranty is given by Wavelength References in lieu of any other warranties, expressed or implied. Wavelength References and its vendors disclaim any implied warranties of merchantability or fitness for any particular use. Wavelength References' responsibility to repair or replace the defective product or refund the purchase price is the sole and exclusive remedy provided customers for breach of the warranty. Wavelength References will not be liable for any indirect, special, incidental, or consequential damages irrespective of whether Wavelength References or its vendor has advance notice of the possibility of such damages.
